

LINGO

ESPAÑOL

Spanish (*español*) or Castilian (*castellano*) is an Iberian Romance language. It is the most-widely spoken Romance Language, and the fourth most-widely spoken language in the world according to some sources, while other sources list it as the second or third most spoken language. Spanish is one of the top five most spoken languages worldwide, and is one of the six official working languages of the United Nations. It is one of the most important global languages (along with English and French), that is spoken on all continents: most extensively in North and South America, Europe, and certain parts of Africa and Asia. Its importance also resides in the international expansion and recognition of Spanish language literature, film industry, television industry (especially telenovelas), and music industry within the globalized market.

With its extensive influence & usage in so many places, Spanish will be a very powerful tool to anyone who enjoys traveling and active participation in the global market. Nothing beats speaking the language to become fully immersed in the 'happenings' in many of these European countries. Make your experiences deeper than the superficial, make it fulfilling and enjoyable by knowing what to say and what has been said.

Wait no longer, take up the language with us now. Our professional native lecturer will work closely with you and very soon you will find yourself speaking the foreign tongue.

No more Phrase book or Reference books that seems more a hazard than a handy tool. In Lingo, we infused the study of the language with dabbles of its culture. The aim is to assist English-speakers with any levels of interest in Spanish to grasp the lingo fast—from beginners who wish to learn a few phrases before their vacation to advanced students who may want to live or work in the country someday.
